- Service tables
- Cost categories
- Hyperlinks
- Surveys
- TAA petitions
- Security
 - Area and office privileges
 - Staff accounts and privileges

Sitertools Admin

- IT administrators
 - Application variables
 - Program eligibility
 - Program and enrollment management
 - Menu management

AJL Advantages

- Extensive online reporting menu
 - WIA and Wagner-Peyser federal reports online
 - Monitor performance throughout the reporting period
 - Additional management information reports
- Reports are fully validated by DBA's and business analysts prior to release

AJL Advantages (Continued)

- Worker Readiness Certification
- Resume flags
- Internal 'spider'
 - Search other job banks from AJL

What's New?

- Additions to AJL in the last 6-12 months:
 - Job Search Updates
 - WIRED
 - JobCentral Interface Live
 - Resume/Job Posting Updates

Job Search

- Radius-based job search to reflect user-defined commutes
 - Free-text location entry
 - Charleston, SC
 - 29401
- All job orders tagged with latitude and longitude
- Microsoft Live Mapping with pushpins

Integrated Search

- Job search results from both AJL and external job banks
- Seamlessly blends AJL jobs with jobs from other job banks
- Adds over one million new jobs to AJL weekly

JobCentral

- Fully-automated uploads and downloads with JobCentral
- Nightly transfers

WIRED

- Monitor activity and performance
- Program registration, enrollment, and services
- Reports

Job and Resume Posting

- Simplified 'wizard' modes
- Simplified O*NET selection
 - User provides free text job title and selects job family
 - Used in classifying work wanted, work history, and job classification
- Simplified navigation

Resume Upload

- Existing Word resumes can be uploaded
- Original Word document is not saved
 - Protect against viruses
- Converted to HTML, with most formatting intact
 - Pictures, links, and content deemed "unsafe" are removed
- Provides pre-formatted resumes to employers with reduced risk of viruses
- Searchable by keyword
- ONET code still attached

Cut and Paste Resume

- WYSIWYG text editor
- Direct cut and paste from Microsoft Word
 - With formatting
 - 'Unsafe' HTML automatically removed
- Formatted resumes can be created from scratch
- Provides formatted resumes for employers with reduced risk
- ONET code still attached

Copy & Paste

A good resume should include the following:

- Your name, address, phone, and email contact information
- A career objective statement
- A brief summary of your qualifications
- Work experience in chronological order, newest first
- Education
- Additional skills or certifications (optional)

Copy and paste your resume below. For best results, enter plain text only (i.e., no formatting, HTML, etc). Once you have pasted below, you can adjust the spacing and make text edits as needed.
