

Job Listing on Pennsylvania Career Link

The following language is made part of every ARRA contract: Required Job Posting As job are created through funding made available from the American Reinvestment and Recovery Act (ARRA), it is important to assure to the maximum extent possible that Pennsylvanians are hired. To that end, all vendors will post each job it creates or seeks to fill as a result of the ARRA funding to the the PaCareerLink system at www.pacareerlink.state.pa.us. Vendors can locate their local PaCareerLink office through the same web site or by calling 1-866-xxx-xxxx. Staff at local PaCareerLinks can assist employers to post positions and explain how to retrieve resumes or applications generated by the system.
